

An Introduction to MNP

You need
a firm who
understands
who you are,
where you're
coming from
and where you
want to go.

Welcome to MNP

As one of Canada's largest accounting and business consulting firms, we know it takes more than skills and experience to serve your business. It takes a commitment to your growth, to understanding the complexities of your operation and industry, and to creating strategies that address where your business is and where you want it to be.

We offer a full suite of accounting, consulting and tax services to meet your needs across every aspect of your business. Through partner-led engagements, we provide a collaborative and cost-effective approach to doing business and personalized strategies to help you succeed across the country and around the world.

Assurance & Accounting

For knowledge that goes beyond numbers, we offer services that go beyond basic accounting.

More than ever, your stakeholders and decision makers need relevant, reliable, and independently reviewed financial information. These insights empower you to make strategic decisions about the future of your business.

Our Assurance team will provide you with meaningful information to make your job easier and keep your business profitable and competitive.

MNP's Assurance and Accounting services include:

- Audits, Reviews and Compilations
- Financial Projections and Forecasts
- Internal Control Assessments
- Performance Measures
- Public Companies
- SOX 404 and MI52-109 Reporting
- International Financial Reporting Standards
- PE GAAP, NFPO Financial Reporting Standards
- PSAB Financial Reporting Standards

Our Public Companies team can help you identify and implement requirements, systems, and procedures required during and after an initial public offering. We provide support on everything from information security issues to complex regulatory requirements, taxation, corporate finance, and management consulting so you can make decisions with confidence and reach your business goals.

We help companies stay compliant, accountable, transparent, and profitable in Canada and abroad. We've specifically designed our comprehensive suite of services to address your key challenges, regardless of industry.

**Success

Your business needs a firm with the specialized knowledge and range of services to help you see the big picture and address your business as a whole. No matter what services you need, our team will work with you to meet every challenge and achieve your business goals.

Solutions for every stage and aspect of your business, from start up to succession.

Our specialized knowledge and range of services will help you see the big picture and address your business as a whole.

INVESTIGATIVE & FORENSIC SERVICES

Fraud and financial irregularities are becoming more common and more complex. Our Investigative and Forensic Services team combines accounting and investigative expertise to resolve your most intricate and sensitive fraud emergencies.

VALUATION & LITIGATION SUPPORT

Make smarter, better, informed decisions with MNP's expert valuation advice. Our team of Chartered Business Valuators and Accredited Appraisers work with our extensive network of industry specialists to deliver independent, concise valuation assessments in a wide range of areas.

ENTERPRISE RISK

Your business is exposed to risk, no matter your size or industry. Our team of Enterprise Risk specialists will help you identify, evaluate and manage your risk exposure to protect your company's operations, people, assets and brand.

CORPORATE FINANCE

Today's business environment offers opportunity for growth-minded businesses — if you know where to look. From raising capital to mergers and acquisitions advice, MNP Corporate Finance offers a full range of services to meet your needs.

CORPORATE RECOVERY & RESTRUCTURING

When dealing with financial problems, you need support and professional advice from someone who understands where you are coming from and the right course of action to take. Our Insolvency and Restructuring Professionals will outline all your options so you can select a solution that is right for your business. We also offer creditor services, including working with secured creditors, unsecured creditors, and the court.

SUCCESSION PLANNING

A comprehensive succession plan will take care of tomorrow, so you're free to focus on driving the success of your business today. By accounting for every aspect of the succession process — including tax and estate planning, wealth, asset management and valuations — our strategic ExitSMART™ and TransitionSMART™ programs help you make the most out of your business.

Minimize your exposure and put more revenue to your bottom line.

Tax

You have to pay taxes. A tax plan makes sure you never pay more than you have to.

Tax regulations are continuously changing, so it's important to consult with a team of tax advisors who will ensure you comply with these laws and pay the appropriate amount of tax.

Working with you one-on-one, our Tax team will take the time to understand your unique situation and deliver the services you need to achieve your goals.

MNP's Tax services include:

- Canadian corporate tax planning and compliance
- International corporate tax planning and compliance
- International transfer pricing
- Cross-border tax services
- Expatriate tax services
- Indirect tax services, including GST, HST, and PST
- Scientific Research & Experimental Development (SR&ED) Tax Credit services
- Effective tax planning for mergers, acquisitions, and divestitures
- Post-acquisition reorganization and/or integration

Our tax team also offers services that address personal tax issues, including:

- Canadian personal tax services
- US personal tax services
- Trust and estate tax
- Personal wealth planning
- Tax planning as part of a succession plan
