

MNP's Tailored Corporate Finance Solutions

Today's business environment offers significant opportunity for the growth minded, if you know where to look. Whether you represent an Indigenous community, individual or business, you know it's important to work with industry-leading professionals who understand your unique business needs and can help you navigate today's complex and evolving financial markets.

From assistance with raising capital to advice on mergers and acquisitions, MNP offers the corporate finance solutions Indigenous businesses need to prosper.

HOW MNP CAN HELP

Whether it is capital to fund your growth strategy, advice on mergers, acquisitions and divestitures or overseeing transactions, our professionals deliver customized strategies to help your business or organization manage all your corporate finance needs. We believe it's critical to consider all your options and execute a strategy focused on delivering the greatest value at the lowest cost.

For more than two decades, MNP Indigenous Services and MNP Corporate Finance Inc. – a subsidiary of MNP LLP – have been committed to helping Indigenous businesses reach their full potential.

OUR CORPORATE FINANCE SERVICES

Capital Markets

When your Indigenous business needs cash to grow, you have endless possibilities to consider. From debt to equity – from both private and public sources – MNP Corporate Finance finds and secures the right financing for your business. We analyze your specific needs to recommend a private capital structure that's just right for you.

As with seeking private capital, debt and equity financing can also be a complex process. Our professionals work closely with you to source the best capital for your organization and ensure the process runs efficiently and seamlessly.

Mergers, Acquisitions and Divestitures

A merger, acquisition or divestiture requires expert counsel and sound strategy at every stage to be successful. When shareholder value is on the line, you can rely on MNP Corporate Finance's expertise from initial concept to closing and beyond.

The right strategy and execution will ensure you receive maximum value with reasonable transaction cost. Our team can support you through strategy development and finding the right target to purchaser identification, transaction management and closing and post-deal support.

Transaction Advisory Services and Due Diligence

The successful sale or purchase of a business depends on strategic thinking and comprehensive due diligence before finalizing a deal. MNP Corporate Finance provides strategic advice at every stage – from identifying appropriate transaction targets to advising on the best way to finance a transaction or receive payment. Our specialists can assist with all aspects of the due diligence needed before closing a transaction.

ABOUT MNP

MNP is a leading national accounting, tax and consulting firm to Canada's Indigenous communities. We have invested more time and resources into understanding Indigenous needs than any other firm. With more than 250 Indigenous clients and 300 professionals, MNP has developed a diverse suite of services designed to preserve our clients' traditions and position them for success.
