

## Benchmarking your practice

Welcome to your new outlook

Evaluate and direct your business decisions with concrete financial information about your practice – and how it compares to others in the industry. MNP's Dental Benchmarking Tool, available through our Client Portal, delivers:

Gain insight on details of your practice to track your strengths and focus on where to make changes – and position yourself competitively in the industry. Contact your Business Advisor to get you onboard the MNP Client Portal and access your new outlook.
