

## Let Us Do Your Taxes At No Charge!

This tax season we're offering healthcare students and medical residents and their spouses complimentary personal tax preparation and business advice. When you're busy, that April 30 tax deadline can easily sneak up on you and we want to help you be ready.

*Students are limited to medical, pharmacy, dental, veterinary, optometry and chiropractic.*

As you complete your residency / education and move forward in your career, remember that MNP is here to help you understand your options and make the best tax, accounting and business choices - for you.

Please bring the following documents to ensure a complete and timely return:

- Prior year Notice of Assessment
- Prior year tax return filed
- Current year tax slips, such as T3, T4 and T5
- T2202A tuition slip
- Any donation slips

MNP has been serving professionals for more than 60 years. Through understanding your unique needs, we can deliver the advice and solutions you need to make informed decisions that benefit you today and in the future. From strategic planning and setting up an efficient tax structure to recording transactions and working with your banker and the Canada Revenue Agency, MNP is here to help.

## NO CHARGE Tax Return Service

*\*Exclusions (may not be all inclusive): Please note this complimentary service is only for basic personal tax returns. If you have a more complicated personal tax situation (e.g., rental, self-employed, business), give us a call and we'll happily provide a free quote at a discounted rate.*

### About MNP

MNP is a leading national accounting, tax and business consulting firm for Canada's Professional Services sector. We proudly serve and respond to the needs of healthcare practitioners by investing our time and resources into fully understanding their dynamic and unique needs. With more than 12,000 Professional Services clients, MNP has developed a diverse suite of services designed to provide a collaborative, cost-effective approach to doing business and personalized strategies to help professionals succeed at every stage of their practice.
